RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants file this response to the Restriction Requirement dated August 10, 2005. In response, Applicants elect species 2: FIG. 4. Claims 1-22 are readable on this embodiment.

The Office Action attempts to limit FIG. 4 to claims 13-22. Applicants respectfully disagree. The embodiment of FIG. 4 shows a video capture device 400 coupled to a personal computer 407. All of the claims are readable on this embodiment. For example, claim 13 recites receiving a file from a processor by a video capture device, compressing the file by the video capture device, and outputting the compressed file to the processor. Clearly, these recitations are readable on the embodiment of FIG. 4.

Respectfully submitted,

Philip S. Lyren
